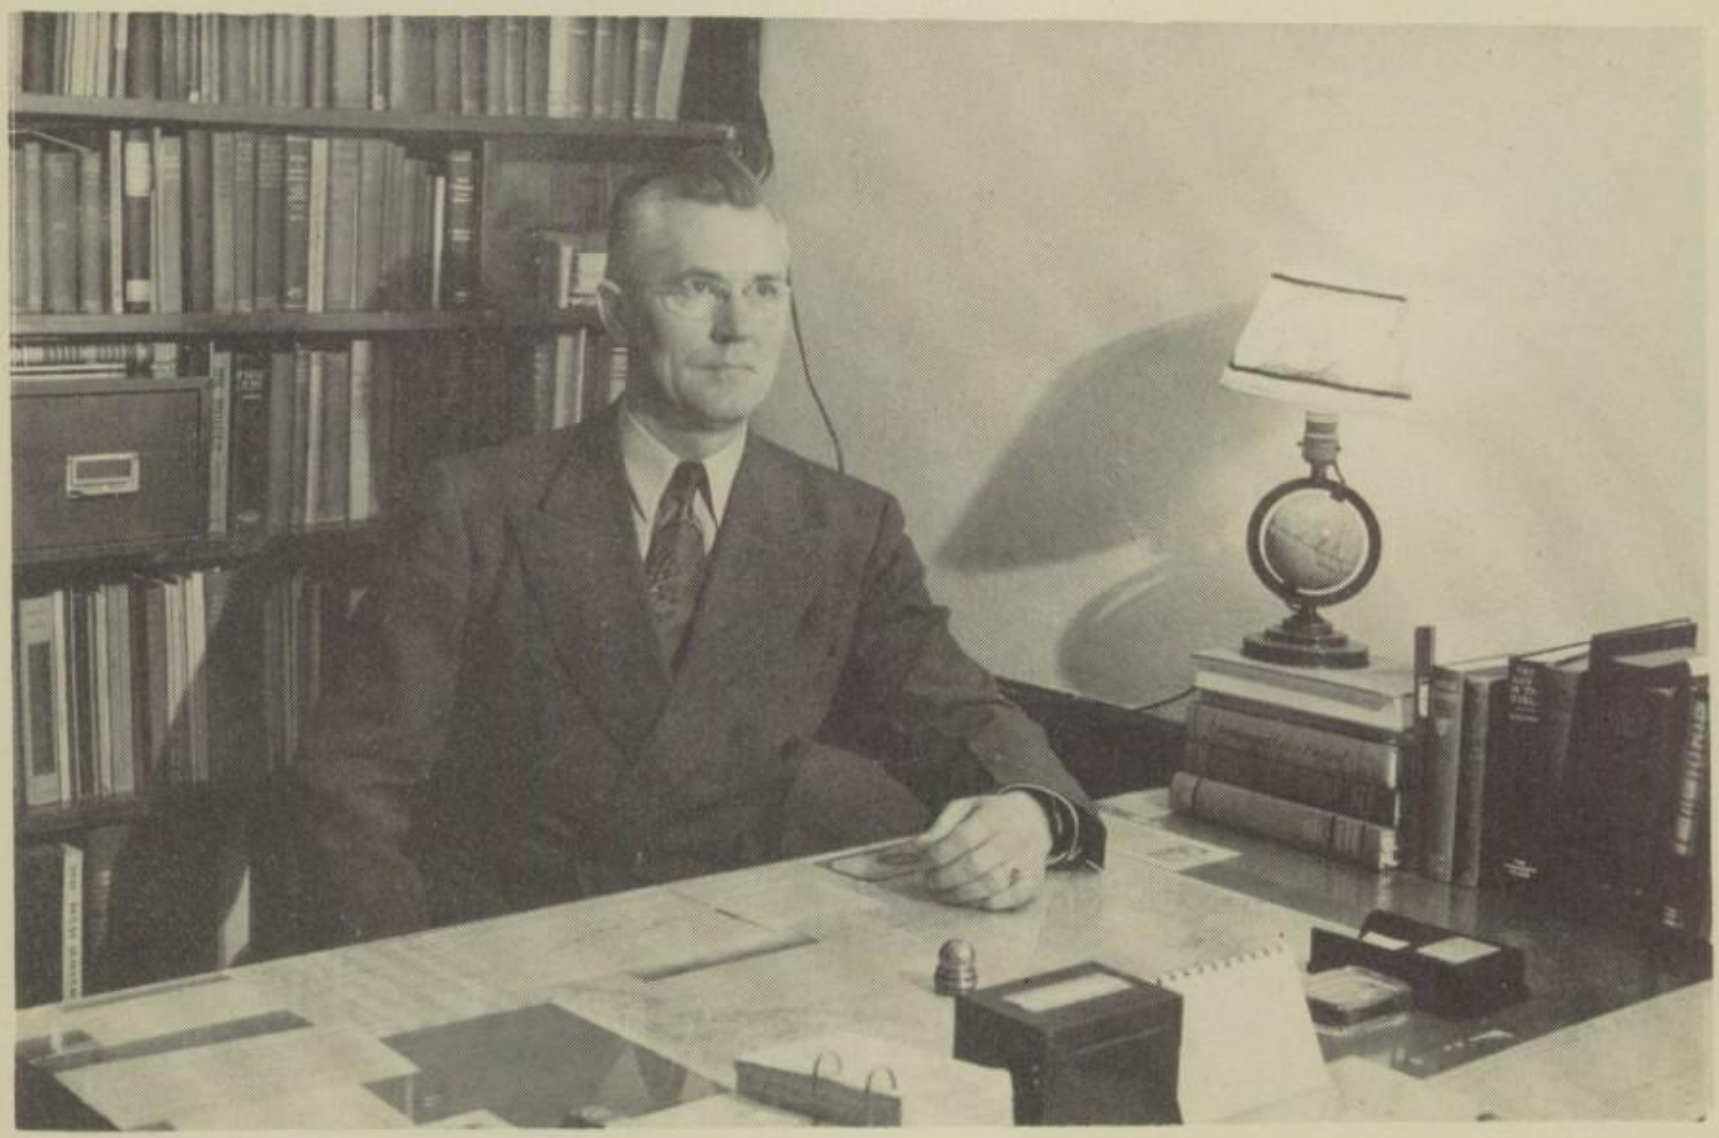
Superintendent's Message



Dear Students:

We are debtors. Our debt has been incurred because of the heritage which others have left to us. The great men and women who have made us debtors are those who did not quit. Our debt is a challenge. Suppose our forefathers had quit at Valley Forge. Suppose Lincoln had been swerved from his purpose to preserve the Union.

The important thing in the problems of life is not to faint. Lofty ideals must be kept without too much discouragement. To quit physically may mean the loss of victory. To quit morally may mean misery to those who come after. To quit socially may mean disaster to the world. Who dares to say how far the happiness of the world of tomorrow may depend on our quiet perseverence in the present day!

This annual of A.C.H.S. is yours because you did not quit. Your staff has been faithful to the charge committed to it. We are debtors.

Yours very sincerely,

Ernest D. Shelton

Principal's Message

Students of Abilene Christian High School:

As the end of another school year draws near and the time comes when we must say good-by; we feel that this has, in many ways, been the best school year that we have ever experienced. I want to take this opportunity to thank each and all of you for the fine spirit of cooperation that has been manifest. This cooperation has made this successful year possible.

Remember this admonition:
Think truly, and thy thoughts shall the world's
famine feed.
Speak truly and each word of thine shall be
a fruitful seed.
Live truly, and thy life shall be a great
and noble creed.

This club originated a year ago when Jayne Kercheville and her speech class decided that the high school would be profited by having a dramatic club. It got its name from the old Greek Theater, and has proved itself very worthy of its name.

This year the Masque and Sandal, under the sponsorship of Mary Prudie Story, had another very successful year. Its activities included the Fall production "Salt Water Taffy", the Senior Play, and several one-act plays. A formal banquet and several parties rounded out the clubs activities.

This year, the Mixed Chorus, under the direction of Mrs. David Kennamer, first semester, and Mrs. Charles Floyd, second semester, organized just for the enjoyment of singing and performing. Some grand work was done by the Chorus and all those who came so steadily for this purpose should be complimented for it.

Sextet

Lanier, Scruggs, Adams, Morris, Chapple, Mauldin

The sextet under the direction of Mrs. David Kennamer the first semester and Mrs. Charles Floyd the second semester, put on various programs throughout the year. It's activities consisted of programs given in chapel, at Camp Barkeley, and parties.
